—Some of the remarks that children make would cause a laugh anywhere. An exchange tells of two children quarrelling over a cup of milk, when a third child, a miss four years old, said, "What's the use of quarrelling over that milk when there is a whole cow in the barn." That settled the milk war.

A DESPERADO KILLED.

A great sensation was caused in Pt. Huron, Tuesday morning by the announcement that Jay J. Britton, the confidence man, had been shot and killed by officer Buckridge at 2 a. m.

The shooting occurred on Huron avenue in front of the City Hall, and the affair lasted only a few minutes. It seems that the affair grew out of Britton trying to steal away a female witness who was being held to testify against a disorderly house kept by Jessie Dalton. Britton undertook to keep the witness, and without provocation drew a revolver and fired three shots at Buckridge without wounding him. Buckridge then drew his revolver and fired two shots, one of which went through Britton's heart and another lodged in his body two inches below it. Britton ran across the avenue and dropped on the sidewalk, expiring in two minutes. Buckridge's action is sustained by the citizens of Port Huron as Britton had threatened to kill him. The dead man was one of the worst and most desperate crooks in the city.

I am anxious to secure your eggs as simply will be limited. Have also some fine Brown Leghorns of the old stock mated with a cockerel from imported eggs. Will sell eggs from those at 20c per 13 or 50 cts per 20. One price to all. Terms cash. Orders sent through Post office will be promptly attended to. Address P. O. Box 1, Brockway Centre, Mich.

Proverbs For Single Men.

A pleasant wife is a rainbow set in the sky, when her husband's mind is tossed with storms and tempests. If you think so, secure one or more certificates of Membership, before you marry, in the M. M. B. A.

Train your eye to see all the bright places in your life, and slip over the hard ones. Train your mind to consider what you can do for others. But among the first to do, is to take a certificate of membership in the M. M. B. A. It will surely please you.

The poet wrote, "Oft in dreams I'll think of thee." The best thoughts for practical use don't come in dreams, but in wide awake moments, and the satisfaction which comes from taking out a certificate in the M. M. B. A. for your own benefit upon marriage, is better than a thousand dreams. Send for descriptive circulars. Address M. M. B. A. Association, Marine City, Mich. or call at this office.

ROBBERY.

A bold and shameful robbery was committed in the township of Fremont Wednesday night, the 24 inst. The house of a man named Smith was entered that night by two men, one armed with a knife and the other with a revolver. They demanded Smith's money, and compelled him under threats to deliver up, terrorizing the family. The amount obtained was about \$70. Smith had obtained the money lately by selling off his stock preparatory to emigrating back to Ontario from whence he came a year or so ago. The identity of the robbers is unknown, Smith not recognizing his assailants. It must have been some one conversant with the fact that Smith had lately realized money from the sale of stock, as there was nothing in his ordinary condition to attract robbers.
